Location: 13 Etinyin Effiom Effiong, Akpabuyo L.G.A, Cross River State, Nigeria.

Career Objective

Aspiring **Software Engineer and Web Developer in training**, passionate about building efficient, user-friendly, and scalable web applications. Currently pursuing a B.Sc. in Software Engineering, with strong foundational knowledge in programming, front-end development, and continuous self-learning through platforms like Udemy and Coursera. Dedicated to gaining hands-on experience and contributing to innovative projects.

Education

- **B.Sc. Software Engineering (In View, 2027)** – Miva Open University, Nigeria
 - **Web Development Certification (2024)** – Udemy & Coursera
 - **Senior Secondary School Certificate (WAEC & NECO, 2024)** – Federal Airport Authority of Nigeria Secondary School (FAANSS)
-

Skills

- **Programming & Web Development:** HTML, CSS, JavaScript (basic to intermediate), responsive design
 - **Frameworks & Tools:** Git/GitHub, Visual Studio Code, Bootstrap, Tailwind CSS, Figma (basic)
 - **Soft Skills:** Problem-solving, teamwork, adaptability, attention to detail, continuous learning
-

Experiences:

Frontend Developer – Ubitech (2025)

- Designed and developed responsive user interfaces using HTML, CSS, JavaScript, and modern frameworks.
- Collaborated with back-end developers to integrate APIs and ensure seamless functionality.
- Improved website performance and optimized UI for better speed and accessibility.
- Participated in code reviews, debugging, and testing to maintain high-quality standards.

Web Developer Intern – Code Alpha (2025 – Present)

- Assisted in developing and maintaining web applications with a focus on responsive front-end design.
 - Collaborated with senior developers to debug, test, and optimize web pages for better performance.
 - Implemented interactive features using HTML, CSS, and JavaScript.
 - Gained hands-on experience with real-world coding standards, version control (Git), and teamwork in a professional environment.
-

Projects & Training

- Built **6 functional websites**, including a **personal portfolio website** showcasing projects and skills.
 - Completed multiple HTML, CSS, and JavaScript projects through Udemy & Coursera.
 - Currently learning **full-stack development** (Node.js, databases, back-end integration).
